PRAYER TO GOD THE FATHER

Our Father in heaven
Holy be your name
Your kingdom come
Your will be done on earth
As it is in heaven.
Give us today our daily bread.
Forgive us our sins
As we forgive those who sin against us.
Do not bring us to the test
But deliver us from evil. Amen.

PRAYER TO LOVE & SERVE GOD

Loving God! Teach me to be generous
Teach me to love you and serve you as you
deserve
To give and not to count the cost
To fight and not to heed the wounds
To toil and not to seek for rest
To work and not to look for reward.
All I want to know
Is that I do your most holy will.
(Prayer of St. Ignatius of Loyola)

ORIGIN AND GROWTH OF LOYOLA ACADEMY

Loyola Academy (LA) is managed and administered by the members of the Society of Jesus belonging to the “Jesuit Province Society-Hyderabad”, covering both the states of Telangana and Andhra Pradesh.

The Society of Jesus is an International Catholic Religious organization of men founded in 1540 by St. Ignatius of Loyola. These religious men, popularly known as “**Jesuits**”, are about 18,000, spread all over the world, of whom over 4000 are working in 20 provinces of India. In Telangana and Andhra Pradesh states alone, about 220 Jesuits are working in Schools and Colleges, Youth and Social Service centres, Spirituality and Counselling centres and in Parishes and Missions of the Catholic Church.

LA was founded by **Rev Fr TJ Baliah SJ** in 1976 with Intermediate Courses, also offering an Associate Degree in Chemical Technology. It then developed into a Degree (1978) and PG (1993) College. LA is situated in Old Alwal, Secunderabad, Telangana, India.

LA is blessed with a fairly spacious campus of about 132 acres of land, with playfields and farm. It is affiliated to the prestigious Osmania

University. LA Degree College was granted autonomous status in 1992 by the University Grants Commission. The same autonomy was granted to the PG College in 2010 by Osmania University. Appreciating the achievements and qualitative pursuit of higher educational needs, UGC has awarded LA a rare status known as a **"College with Potential for Excellence"** (CPE) and has also extended CPE phase II projects.

In addition to this, National Accreditation and Assessment Council reaccredited this college in 2011 and, for the second time, awarded 'A' grade (3.50 out of 4.00 CGPA), in recognition of its excellent contribution to the cause of higher education.

JESUIT EDUCATION FOR TRANSFORMATION OF PERSONS & SOCIETY

1. Dedication to Human Dignity from a Jesuit Faith Perspective

- * Men and women are created in love to reflect the wisdom and goodness of God.
- * The continued presence of Jesus Christ's Spirit enhances human dignity.
- * Men and women are
 - o enfolded in God's care and compassion
 - o offered companionship as brothers and sisters and
 - o empowered to complete the compassionate mission of Jesus Christ on earth
- * Jesuits believe that their colleagues from other religious and ethical traditions share this dedication to human dignity and work for its implementation.

2. Reverence for and an Ongoing Reflection on Human Experience

- * A Jesuit College must be a place of intellectual honesty, pluralism and mutual respect/reverence
- * Reverence was pivotal for St. Ignatius of Loyola, reverence for him was an attitude of regard

- before the majesty of God and
- for all that God has created both as a gift from God and as a way to God's presence
- * The Jesuit ideal of seeking and finding God in all things is inspired by this sense of reverence
- * This ideal
 - promotes a rigorous yet sensitive attention to the demands of the professions and of technology
 - exults in the world of creative energy in literature and music, in art and theatre, in business and in the sciences
 - engages the world both locally and globally

3. Creative Companionship with Colleagues

- * The contemporary Jesuit College is committed to creating a community of dialogue and service
- * Service signifies a mutual willingness among faculty, staff and administration to enhance the entire environment of learning and service within the college community and between it and the world outside

4. Focused Care for Students

- * At the heart of the Jesuit educational ideal

is community care for the integral development of the students

- * Everyone - faculty, staff, administration and board members—play a role in student development
- * In their relationship with students, faculty and staff inevitably model what they value
- * In communicating those values, they act as mentors to their students
- * The following student-concerns demand our attention and response:
 - the pursuit of wisdom and competence
 - the quest for psychological maturity and spiritual depth
 - the desire for ethical grounding and
 - the challenge of social solidarity and global awareness

5. Well-Educated Justice and Solidarity

- * Justice, primarily, is God's saving action for men and women
- * Each Jesuit College must examine its own social environment, including its own commitment to justice and solidarity
- * Solidarity with the rest of the human race means

- working together as human family to meet effectively the challenges of worldwide hunger, ignorance, disease and violence;
 - extending of care to those close at hand who have been ignored or abandoned within our society; and
 - a commitment to change the economic, political and social structures that enslave, dehumanize and destroy human life and dignity.
- I More and more Jesuit institutions provide supervised opportunities for their students to meet and to learn from people from other economic and social groups through
- community service,
 - service-learning projects,
 - immersion experiences and
 - faculty-student research projects.

LIFE OF ST. IGNATIUS OF LOYOLA

St. Ignatius of Loyola, the founder of the Society of Jesus, was born in 1491 in the Basque Country of Northern Spain to parents of distinguished families in that area. He was the youngest of 13 children and was called Iñigo. At the age of 15, he served as a page in the court of a local nobleman and later embraced a military career and became a valiant soldier.

Wounded in battle by a cannon ball, which broke one leg and injured the other, he was taken prisoner by the French, who set his leg and eventually allowed him to go home to Loyola. He spent his time recuperating at the home of his brother. Confined to his sick bed, he was given pious books to read, which he grudgingly accepted. To his surprise, he enjoyed them and began to dream of becoming a “knight for Christ”, pursuing the ideals of St. Francis and St. Dominic. He eventually promised to devote his life to being a knight for St. Peter if he recovered, which he did after nine months of convalescence.

Ignatius noticed that after doing good deeds for the Lord, he felt peaceful — which he termed as a “consolation”, but when he thought of being a successful soldier or of impressing a beautiful

woman where he had initially felt enthused, he later felt dry. Through this process of discernment, Ignatius was able to recognize that God was leading him to follow a path of service. Out of this experience he wrote his famous “Spiritual Exercises”.

After traveling and studying in different schools, he finished in Paris, where he received his masters degree at the age of 43. Many initially hated St. Ignatius because of his humble and austere lifestyle. Despite this, he attracted many followers at the university, including St. Francis Xavier, and soon started his order, the Society of Jesus, or the Jesuits. He travelled to Europe and the Holy Land, then settled in Rome to direct the Jesuits. His health suffered in later years, and he was nearly blind at death. He died at the age of 65.

”Few souls understand what God would accomplish in them if they were to abandon themselves unreservedly to Him and if they were to allow His grace to mold them accordingly.”

— Saint Ignatius of Loyola.

ACADEMIC INFORMATION

The academic year consists of two semesters. At the Postgraduate level, the curriculum is spread over two years except M.C.A (Master of Computer Applications), which lasts for three years. The duration of a semester is approximately 16-18 weeks, each consisting of six working days.

Students should put in 20 hours of Social Services under PLANET Programme. They are also encouraged to get certificates by involving themselves in NSS/NGC/SPORTS & GAMES/AICUF/Women Cell/NCC etc.

In order to make the students research-oriented, all the final year students are to undertake a Project Work and submit their Dissertation as well as take a Viva Voce.

The College has adopted the system of valuation based both on Continuous Internal Assessment (C.I.A.) and Semester-End Examination (S.E.E). The C.I.A and S.E.E. will have the weighting of 40% and 60% respectively. C.I.A. consists of Weekly Tests, Assignments, Seminar/Viva Voce, Mid-Semester and Pre-Final Exams as part of Theory. C.I.A. consists of Practicals (laboratory work etc.) too. The student's regularity, as indicated by attendance, will also be taken into account for C.I.A. The S.E.E. will

be in the form of a comprehensive written examination for each course at the end of the semester and most of the subjects have Practical Exam too. The question papers for these examinations will be set by experts chosen from outside the College and answer scripts will be valued separately by two different external examiners.

Continuous Internal Assessment (CIA):

1) A student becomes eligible to appear for the Semester-End Examinations only if he/she has secured the **MINIMUM ATTENDANCE OF 75%**. If he/she fails to get the minimum attendance, he/she has to repeat that Semester in the following academic year. His/her name will be off the rolls for the following semester.

In case a student is absent from classes due to grave illness/accident, he/she should have a minimum of 65% of attendance and should have already obtained permission prior to their absence due to grave illness/accident. However, medical certificate for minor ailments like cold, cough and fever will not be accepted. They should submit a Medical Certificate issued by a registered medical practitioner along with the medical prescription on the first day that he/she returns to regular classes. Medical certificates that are submitted later or just before the Semester End Exams will NOT be accepted.

Candidates admitted to the first year through an entrance test and do not have requisite attendance but have not less than 40% attendance can seek readmission without once again appearing for the entrance test. Candidates of I year I semester who do not have the minimum 40% attendance would lose their seat and they will have to seek admission afresh by appearing at the entrance test once again.

Attendance Marks			
Percentage	Marks Allotted	Percentage	Marks Allotted
75.1 to 77.5	01	87.6 to 90.0	06
77.6 to 80.0	02	90.1 to 92.5	07
80.1 to 82.5	03	92.6 to 95.0	08
82.6 to 85.0	04	95.1 to 97.5	09
85.1 to 87.5	05	97.6 to 100	10

N.B: The attendance of the previous week and month will be displayed in the first week of every month on the notice board. It is the student & parent /guardian's responsibility to verify it and in case of a shortage of attendance to meet Fr. Vice Principal concerned.

2) Under the CIA system in the college, there are **Weekly tests, Mid-Semester Exam,**

Pre-final Exam, Assignment, Viva/Seminar and Attendance. Weekly test is conducted for 50 minutes, Mid Semester for 2 hours, Pre-final Exam for 3 hours, Semester-End Exam (SEE), both Theory and Practical, is conducted for 3 hours each except Chemistry Practical which is conducted for 4 hours. The pass marks for S.E.E. Theory and Practical are 40% and 40% respectively.

CIA Components for all PG courses (Theory):			
Component	Marks Allotted	Component	Marks Allotted
Weekly test	15	Assignment	05
Mid-Semester	25	Viva/Seminar	05
Pre-final Exam	40	Attendance	10

Grand Total = 100 (100 will be converted into 40 as per CIA Weighting and SEE Weighting is 60)

CIA Components for all PG courses (Practicals):	
Component	Marks Allotted
Attendance	05
Observation / record book	05
Practical skills acquired	10
Pre-final Practical (3 hours)	20
Total Marks for CIA	40

3) In principle, there will not be any re-exams. In case of accident or grave illness or death in the family, the Principal/Vice-Principal should be informed immediately and a written permission to be absent from the exams should be obtained by the parent. The decision to conduct or not to conduct the re-mid exams rests with the Principal/Vice-Principal and will be examined case by case, purely on the merit of the case. The decision of Principal/Vice-principal is final and binding. Under extraordinary circumstances and for genuine reasons on a case- to-case basis, it is the Principal's discretion to call all the officials concerned to decide whether or not to give permission for a re-examination.

For applying for re-examination, the students along with their parents should approach the Vice-Principal with all the necessary documents, who, in consultation with the Block In-charge and the Head of the Department concerned would analyze the case and forward it to the Principal. The Principal would finally decide whether or not to permit the student to take a re-exam and the same would be communicated to the COE on a case-to-case basis. If permitted, the Examination Coordinating Cell headed by the Chief Superintendent of Exams coordinates the conduct of the re-exams.

PG S.E.E. will be held according to respective departmental Almanacs.

Semester-End Examinations (SEE):

- 1) The number of backlogs, if any, in any year shall not exceed 50% of the papers prescribed for that year.
- 2) There will be no re-evaluation of the theory and the practical exams.

I Year – I Semester a Admission

I Year – II Semester a Regular course of study of I Year - Semester I

II Year – I Semester a Regular Course of Study of I Year .

b The number of backlogs, if any, of I Year - Semester I & II shall not exceed 50% of the papers prescribed for the I Year -Semester I & II

II Year – II Semester a Regular Course of Study of II Year-Semester I

III Year – I Semester a Regular Course of Study of II Year - Semester II

b The number of backlogs, if any, of I year and II Year shall not exceed 50% of the papers.

III Year – II Semester a Regular Course of Study of III Year - Semester I

NB : 1) Where the total number of subjects (both Theory and Practical) is odd, the student is given the advantage (e.g., If the total number of subjects for a year is 19, the student is expected to clear at least 9 of them). No instant exam for outgoing students will be conducted.

2) There is no instant exam in the Examination System of Loyola Academy.

3) It is clear that those who have not completed the course of study within double the duration of the course, are not eligible to appear for any examination to clear the failed papers. They will forfeit their admission. (e.g. if one has joined for a 3-year degree in the academic year 2012-13, one should complete one's degree by 2017-18).

GRADING: Grading is done as per SGPA & CGPA norms.

SGPA & CGPA

As part of Choice-based Credit System (CBCS), Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) has been implemented from the academic year 2016-17 onwards for the first year students admitted in 2016-17.

DETAILS OF AWARD OF GRADES UNDER CHOICE BASED CREDIT SYSTEM (CBCS)

Range of Marks	Grade Letter	Grade Points
85 – 100	O	10
70 - 84	A	09
60 - 69	B	08
55 - 59	C	07
50 – 54	B	06
40 – 49	E	05
0 – 39	F	00

CALCULATION OF SGPA & CGPA:

1.	Credit Points = No. of Credits Secured X Grade Points
2	$\text{SGPA} = \frac{\text{Sum of Credit Points obtained in a Semester}}{\text{Total number of Credits in that Semester}}$
3.	$\text{CGPA} = \frac{\text{Sum of Credit Points obtained in all Semesters}}{\text{Total number of Credits in all the Semesters}}$
4.	Conversion Factor (CF) = Percentage of Marks – (CGPA/SGPA X 10)

DETAILS OF AWARD OF DIVISION ON THE BASIS OF PERCENTAGE OF MARKS

1.	$\geq 60\%$ and above	:	1st Division
2.	$\geq 50\%$ to $< 60\%$:	2nd Division
3.	$\geq 40\%$ to $< 50\%$:	Pass Division

INDEX

1	Part I	Languages, Foundational Courses & * PLANET
2.	PART II	Core Subjects & Electives
3.	G.E.	General Elective
4.	S.E.	Subject Elective
5.	S.B.E.	Skill-based Elective
6.	A	Absent
7.	F	Fail
8.	M	Malpractice
9	P	Pass

N.B:

- 1 SGPA is computed only if the candidate passes in all the theory/practical papers with a minimum of 'E' Grade
2. If a candidate secures 'F' Grade in a theory/practical paper, he/she is considered to have failed in that paper.
3. *Not considered for computing SGPA. However, the candidate has to secure a minimum of 'E' Grade to qualify for awarding of the Degree

GENERAL INFORMATION

- § The admission of the first year student is complete only on the payment of the total fee of the academic year.
- § The other (i.e. II / III year) students will have to pay the semester fees in the bank before the classes resume for that particular semester and submit the challan/online transaction number (NEFT/UTR No.) in the college office **before the commencement of the semester**, failing which their names will not be found on the nominal rolls. Fee once paid will not returned at any cost.

Note : All the College fees are paid in the IOB, Loyola Academy branch, by way of a bank challan issued by the college office. Hence, it is illegal for any student or staff to collect any fees or raise any fund from any student or staff for any purpose or organization on the college premises or to direct the student or staff to pay any fee or to make any contribution to any organization without the explicit written permission of the Principal.

Extension Programme is the third important limb of University Education along with teaching and research. Loyola Academy Degree & PG College in its efforts to lay stress on this aspect has undertaken an ambitious social program i.e., PLANET (Project of Loyola Academy for

Neighborhood Empowerment and Transformation). The objective of this programme is to inculcate in the students the spirit of social responsibility, besides academic excellence and spiritual growth. Even as they are encouraged to strive for acquiring more knowledge and skills through different courses, they are exposed to the stark social realities of rural and urban poor, to develop in them an attitude of deep concern for the neglected section of our society. In line with the mission of our college to mould, 'Men and Women for Others', PLANET Programme makes it mandatory for all the first year PG students to participate in social service extension activities.

Dr Vijaya Mary, MBBS., D.G.O. is available for consultation and general medical checkup at the doctor's room (Room No.208, Indigo Block) on **Week days** from 12.00 p.m. to 01.30 p.m. **Consultation is free** for staff and students.
