

B.COM. (HONS) - STRATEGIC FINANCE

Loyola Academy introduces the BCom (Hons)-Strategic Finance programme from June 2018. A three year under graduate degree programme integrated with the globally recognised Certified Management Accountant (CMA) certification awarded by the Institute of Management Accountants (IMA), which is a US-based worldwide association for accountants and financial professionals. This programme caters to commerce aspirants who desire to build their professional expertise in financial planning, analysis, control, decision support, and professional ethics – skills that are in demand by organizations around the world.

Students pursuing the BCom (Hons) – Strategic Finance programme will undergo the CMA coursework as part of their regular curriculum. The two parts of CMA papers, are divided into five regular courses and integrated into the main curriculum. IMA official study materials from WILEY will be provided to the students and used for instruction. IMA's authorised training partners in India will teach these courses during regular working hours scheduled in the timetable. The assessment and end semester examination pattern for these five courses shall be online examinations aligned with IMA assessment pattern.

The CMA certification from IMA, comprises of two exam parts:
(i) Part 1 – Financial Reporting, Planning, Performance and Control
(ii) Part 2 – Financial Decision-Making. These exams have to be taken up separately by the students during their degree programme in Loyola Academy by paying IMA examination fees
